

I Believe

Words & Music by
Laurell Barker &
Mike R. Schuster

Lord I bring all the worries that I wear
Every fear that You don't care
Offering all the things that hold me down
'Cause my God You have no bounds

I put my trust in You
I know You'll see me through

I believe, I believe, I believe my prayers are heard
I can see, I can see, I can see Your hand at work
So I leave these burdens right here at your feet
'Cause I believe 'Cause I believe

God You know every doubt cripples me
All my insecurities
I let go of the pain I've tried to hide
Lord, You see so far inside

I put my trust in You
I know You'll see me through

I believe, I believe, I believe my prayers are heard
I can see, I can see, I can see Your hand at work
So I leave these burdens right here at your feet
'Cause I believe 'Cause I believe

Guitar Solo + Key Change

Heal us Lord, to a heart and mind of one
Filled with praise for all You've done
Reassured, that You move within our lives
O the hope that You revive!

We put our trust in You
We know You'll see us through

We believe, we believe, we believe our prayers are heard
We can see, we can see, we can see Your hand at work
So we leave these burdens right here at Your feet
We believe, we believe, we believe our prayers are heard
We can see, we can see, we can see Your hand at work
So we leave these burdens right here at Your feet
'Cause we believe 'Cause we believe
'Cause we believe 'Cause we believe
