

# I Want To Honor You

Words & Music by  
Mike R. Schuster

Lord I know You hear my prayers  
You seem to know my thoughts and cares  
Long before I form them in my mind  
So I lay my worries at Your feet  
Knowing You can make my joy complete  
And I know my every need You will supply

I want to honor You in everything I do  
I want to be more faithful in all You bring me through  
So when the storms of life set in and I'm confused  
Help me to stop, and wait, and hear from You

Lord I know You hear my prayers  
You seem to know my thoughts and cares  
Long before I form them in my mind  
So I lay my worries at Your feet  
Knowing You can make my joy complete  
And I know my every need You will supply

I want to honor You in everything I do  
I want to be more faithful in all You bring me through  
So when the storms of life set in and I'm confused  
Help me to stop, and wait, and hear from You

I want to honor You in everything I do  
I want to be more faithful in all You bring me through  
So when the storms of life set in and I'm confused  
Help me to stop, and wait, and hear from You

## **SOLO (Chorus)**

I want to honor You in everything I do  
I want to be more faithful in all You bring me through  
So when the storms of life set in and I'm confused  
Help me to stop, and wait, and hear from You  
Help me to stop, and wait, and hear from You
