

Wholly Devoted

Words & Music by
Dan Nel & Mike R. Schuster

Every moment of every day
Teach me, Lord, to pray
Every thought, every glance
Shape my motives by Your hand

I want to be wholly devoted - In all I do devoted
To You, to You, I offer everything
I want to be wholly devoted - In all I do devoted
To You, to You, my Lord and only King
Wholly devoted, Wholly devoted

Every time I hear Your voice
Help me make the right choice
Take my life lead me on
Though the journey may be long

I want to be wholly devoted - In all I do devoted
To You, to You, I offer everything
I want to be wholly devoted - In all I do devoted
To You, to You, my Lord and only King
Wholly devoted, Wholly devoted

I want to be wholly devoted - In all I do devoted
To You, to You, I offer everything
I want to be wholly devoted - In all I do devoted
To You, to You, my Lord and only King
Wholly devoted, Wholly devoted
Wholly devoted, Wholly devoted
Wholly devoted.
