

Meet Us Here

Words & Music by
Mike R. Schuster

Your grace – how amazing; Your love how sweet
Your mercy and justice how pure
You hold all creation in the palm of Your hand
And yet you make time for me

How I love to sing and shout out Your praises
I love to meet with Your children right here
Come, inhabit the praise of Your people
Come meet us here

Your grace – how amazing; Your love how sweet
Your mercy and justice how pure
You hold all creation in the palm of Your hand
And yet you make time for me

So we stand and sing and shout out Your praises
We celebrate with Your children right here
You inhabit the praise of Your people
You meet us here

So we stand and sing and shout out Your praises
We celebrate with Your children right here
You inhabit the praise of Your people
You meet us here
You meet us here
You meet us here
