

Walk in Your Freedom

Words & Music
Mike R. Schuster

We're looking for freedom; we're searching for truth
On this journey of the soul, which led to You.
We reject the lies around, for our hope in You is found
You offer us freedom.

(and) We celebrate the freedom that You bring
Purchased by Your precious blood,
Our God and King.
Help us Lord, in all we do,
To make the choice to honor You,
To truly be a people who
Walk in Your freedom.

Even freedom has its rules
We accept those limitations – we choose You
Give us strength to stay the course
Help us Lord to be a force
That walks in Your freedom.

CHORUS

No fear of death, no debt to sin,
We've died with Christ; we're free to live!
