

We Love You, Lord

Words & Music
Mike R. Schuster

We who bear Your name want to say we love You.
We're gathered here today to worship at Your feet.
We thank You for the power of Your love that set us free.
Now we want to worship You for all eternity.

(Singin') We love You, Lord. Lord, we love You.
You, Lord, we love. Love You, Lord, we do.
(Singin') We love You, Lord. Lord, we love You.
You, Lord, we love. Love You, Lord, we do.

It's You who brought us here, You who feeds us daily.
We hunger for Your Truth, speak into our lives.
Teach us how to honor You in all we are pursuing.
Lord, we love You truly, and we offer You our lives.

(Singin') We love You, Lord. Lord, we love You.
You, Lord, we love. Love You, Lord, we do.
(Singin') We love You, Lord. Lord, we love You.
You, Lord, we love. Love You, Lord, we do.
