

Able

(Able to Deliver)

Words: [Fanny Crosby](#), 1899
Music & Additional Lyrics by Mike R Schuster

O troubled heart, don't be afraid
In the Lord your God, let your hope be stayed
He will hear your cry and will give you aid
Whate'er your cross may be

O troubled heart, though your foes unite
Let your faith be strong and your armor bright
You will overcome through His power and might
And more than conqueror be

He is able, more than able
He is able to deliver you
He is able, more than able
Yes, my God will see you through

O troubled heart, when your way is drear
He will rescue you and dispel your fear
In your greatest need He is always near
To Him all glory be
